Dear colleagues,

Sub.: MEMBER SUPPORT- COVID-19 SUPPLY

At the outset, I would like to thank you for the leadership displayed and contributions made to the growth of our association over the years. Your services are never more needed than at this critical juncture. And this is the time to unite ourselves and perform at our best and render services to drive growth and turn the tide in our favor.

We are passing through a very difficult period by the outbreak of Covid-19 Pandemic. We are confident of meeting the challenges post this crisis & hope to come out successfully with your support.

IDA intends to assist and support its members by offering Infection Control Equipment, Materials, PPE's, etc., at a very reasonable cost. We are going to create a separate portal for promotion/ Sales of these products for our members.

The entire arrangement is intended to serve the Dental fraternity of IDA with no commercial interests whatsoever and supply at cost to cost basis. We will be offering the products to our members without any mark-up. We are negotiating with the dental trade and Suppliers to get the most reasonable and best price for our members.

If there are any dental companies, dealers and suppliers in your knowledge who can supply the necessary sterilization protocol equipment and materials pan India. These materials need to be supplied at the very reasonable rate for the members. We request you to kindly send us these companies contact details.

We would be uploading all the details on our IDA website through a separate portal named "**MEMBER SUPPORT- COVID-19 SUPPLY**". This portal would be ready in a few days.

Take care of yourself and your family. STAY SAFE, HEALTHY, PROTECTED AND HAPPY.

Thanks & Regards,
For Indian Dental Association
