FOREWORD

As you are aware, COVID – 19 is widely spreading across the country, rising beyond 725000 positive cases in the 24th week. In order to manage and contain the spread of COVID – 19 any further, both Centre and State Government and associated departments have come out with Guidelines to be adopted across the country and in each state.

This book is a compilation of list of manufacturers and suppliers of different drugs, disposables, equipments and other consumables required for management and care of COVID-19 patients.

We hope that this compilation helps Practitioners, Administrators and all people involved in management of COVID – 19 cases.

We thank you all.
