Dr. Pravin H. Shingare Director Medical Education and Research Government of Maharashtra Mantralaya Mumbai - 400 021

Dear Sir,

Subject: Election of representative from Maharashtra to the Dental Council of India

I would like to bring to your kind notice that election of one member from Maharashtra to the Dental Council of India (DCI) was due in the year 2012. However, no elections have been held till date. As there is no representation from Maharashtra State to the DCI, the highest regulatory body of dental education in the country, various regulatory issues relating to dental practice are not represented and, as a result, several benefits are denied to Maharashtra.

May I therefore request you to kindly look into the matter of starting the democratic process of holding elections to the DCI at the earliest?

Best regards, Yours sincerely
